N.B.—When any sum has been secured both by a Lien on the Wool and by a Mortgage of the Sheep, the amount has been included under the head of Mortgages only.

Registrar General's Office,
Sydney, 30th January, 1847.

Sir,

In transmitting to you the Returns required by your Circular of the 2nd November last, I do myself the honor to observe that in the Return of the Number of Sheep and Amount of Money advanced under the Lien Act, it would appear as if an additional sum was advanced each subsequent year upon that mentioned to have been advanced the year previous. It must, however, be borne in mind that as the Lien Act only authorises an advance to be made on the ensuing clip of wool, the liens are renewable every year, and that consequently the same Sheep and Money may be included in one year as that mentioned for the previous year. The same remark may also apply to the Mortgages of Sheep, Cattle, and Horses, as the Mortgages are generally made redeemable a twelvemonth from the date thereof.

In the Return of the Amount secured by Mortgages of real Estate, however, the re-payment of the amount is, upon an average, required to be made every three or four years, and that consequently, in the Return under this head, the same money may have been re-lent, and re-secured three times during the period (ten years) included in this Return. Under these circumstances I have not given a General Total of the Amount, as it might lead to a false conclusion.

In other respects, I beg to observe the accompanying Returns are correct.

I have the honor to be,

Sir,

Your most obedient servant,

THE HONORABLE THE COLONIAL SECRETARY,
&c., &c., &c.

WILLIAM CARTER,
Registrar General.
